

Bradwell Parish Council

Privacy Notice

This privacy notice tells you what to expect when Bradwell Parish Council collects personal information. It applies to information we collect about:

Visitors to our website

We use a third party to host our website and collect anonymous information about users' activity on the site, for example the number of users viewing pages on the site, to monitor and report on the effectiveness of the site and help us improve it.

Calling our offices

When you call our offices we collect Calling Line Identification (CLI) or caller display information. This information is not shared with any other organisations.

People who email us

Any email sent to us, including any attachments, may be monitored and used by us for reasons of security and for monitoring compliance with office policy. Email monitoring or blocking software may also be used. Please be aware that you have a responsibility to ensure that any email you send to us is within the bounds of the law.

People who make a complaint to us

When we receive a complaint from a person we make up a file containing the details of the complaint. This normally contains the identity of the complainant and any other individuals involved in the complaint.

We will only use the personal information we collect to process the complaint and to check on the level of service we provide. We do compile and publish statistics showing information like the number of complaints we receive, but not in a form which identifies anyone.

We usually have to disclose the complainant's identity to whoever the complaint is about. This is inevitable where, for example, the accuracy of a person's record is in dispute. If a complainant doesn't want information identifying him or her to be disclosed, we will try to respect that. However, it may not be possible to handle a complaint on an anonymous basis.

We will keep personal information contained in complaint files in line with our retention policy. This means that information relating to a complaint will be retained for two years from closure. It will be retained in a secure environment and access to it will be restricted according to the 'need to know' principle.

Similarly, where enquiries are submitted to us we will only use the information supplied to us to deal with the enquiry and any subsequent issues and to check on the level of service we provide.

When we take enforcement action against someone, we may publish the identity of the defendant. Usually we do not identify any complainants unless the details have already been made public.

People who use the Council services

The Parish Council offers various services to the public. We have to hold the details of the people who have requested the service in order to provide it. However, we only use these details to provide the service the person has requested and for other closely related purposes. For example, we might use information about people who have an allotment plot to see if they would be interested in being an allotment representative or assisting with events on the allotment site. When people subscribe to our services, they can cancel their subscription at any time and are given an easy way of doing this.

Individuals applying for a grant

When individuals apply for a grant under the Parish Council's Grants Scheme, they submit their information in an Application Form; provide details of their proposal and an outline of the potential cost. Those who are awarded grants are asked to provide progress reports, a final report and final expenses. Any personal information that is provided in the application are used only for the purpose of reviewing the grant application and the ongoing administration and management of any grants that are awarded. We will also publish information about projects on our own website and in our newsletter, including the amount of grant awarded and the recipient of the grant.

Job applicants, current and former employees

When individuals apply to work at the Parish Council, we will only use the information they supply to us to process their application and to monitor recruitment statistics. Where we want to disclose information to a third party, for example where we want to take up a reference or obtain a 'disclosure' from the Criminal Records Bureau we will not do so without informing them beforehand unless the disclosure is required by law.

Personal information about unsuccessful candidates will be held for 12 months after the recruitment exercise has been completed, it will then be destroyed or deleted.

Once a person has taken up employment with the Parish Council, we will compile a file relating to their employment. The information contained in this will be kept secure and will only be used for purposes directly relevant to that person's employment. Once their employment with Parish Council has ended, we will retain the file in accordance with the requirements of our retention schedule and then delete it.

Bradwell Parish Council tries to meet the highest standards when collecting and using personal information. For this reason, we take any complaints we receive about this very seriously. We encourage people to bring it to our attention if they think that our collection or use of information is unfair, misleading or inappropriate. We would also welcome any suggestions for improving our procedures.
